Tesla Mission and Vision

The mission of Tesla Engineering Charter School is to integrate a broad exposure to the field of engineering and technology into a balanced high school experience, and to prepare those with the aptitude and passion to pursue post-secondary education and careers in engineering. The vision of Tesla Engineering Charter School is to be the premier high school to support the engineering and technology needs of the Fox Cities community.

The Appleton Area School District does not discriminate against students on the basis of sex, race, color, religion, age, national origin, ancestry, creed, pregnancy, marital or parental status, sexual orientation, gender identity, gender expression or physical, cognitive, emotional or learning disability in its education programs or activities.
